### And What Have You

By BOB CRAIG

The family and I spent the past weekend in Hereford attending the West Texas Press Association mid-winter meeting. It is quickly noticed that things are changing fast up in that part of the state. That part of the Panhandle and the Gulf Coast area seem to be the brightest spots in Texas at the present time.

One thing for sure, there is no comparison between that area now and what it was like when I was a youngster living in Vega during the dust-bowl days. Sugar beets and feedlots seem to be the big thing there now. They feed out more grain there than they can grow.

While we were there we managed a little time to visit with our old friend, Grady Allen who moved up there from here last summer. He and his family are doing just fine and are liking it there real well.

This was a very enjoyable meeting for us since we are now Chairman of the Board of the Press Association and as such do not really have anything to do. This was our first meeting in three years that we could attend and let someone else worry about all of the details.

We find it very helpful to get off to meetings of this type every once in a while and visit with publishers from across West Texas. It gives us some fresh ideas but more important it tends to encourage us to try to do a better job when we look around and see what fine papers some of these people are publishing. Like any business, the newspaper business tends to take on a certain monotony week after week and these meetings help overcome this.

Even though we always seem to come back tired and behind in our work, it seems worthwhile.

According to a number of people, the cotton producers of this area, as well as those all over the nation, apparently are facing a major decision this year when they sign up for the 1968 program.

The best we can tell there are two schools of thought on which way cotton farmers should go and not being a cotton producer we do not have any answers but can only pass along some of the information that comes across our desk.

One group feels that production should be held down to force up prices. These people feel that the cotton market and the government surpluses are just now getting to the point where the farmer can get a fair return.

The second group, and this group seems to include most cotton and cotton related organizations, feel that this is the year that more cotton should be planted if cotton is going to hold its own in the market place.

There seems to be some concern that if the production falls off too far that there will not be marketing quotas on the 1969 crop. According to The Texas Cottonseed Crushers' Association the total supply of cotton must be more than the normal supply in order to have a Marketing Quota which provides the subsidy, diversion payments, etc.

And according to them, it will take 62 percent more cotton or 4,000,000 more bales this year than last year to keep these marketing quotas for 1969.

For the general benefit of the area's economy we would like to see the day come when more cotton is produced in this area but only if it can be produced at a profit to the farmer.

As we said earlier, we are not in the cotton business and do not know all of the answers and doubt if anyone inside or outside of the industry does either. In fact the Crushers' group say that it is a gamble either way.

We have always been a little leery of those who want to create a shortage to raise prices. Too many times when this is tried it turns out that something else is found that can be used as a substitute.

This matter is very important to this whole area and we would suggest that the producers get together before the sign-up deadline so that they can get as many facts as possible before making their decisions. We do not feel that they should necessarily all do the same but together they could get more information, have both sides of the matter explained, and then make their decisions.

**NO SCHOOL** — The snow on the ground at primary school was left untouched as students remained at home when notified of a forced holiday Wednesday. The two-and-one-half to three inches of snow fell here Tuesday night

and this along with freezing weather caused Supt. C. F. Cook to call off school Wednesday. Coming on Feb. 14 the holiday disrupted the exchanging of Valentines and left younger students with mixed emotions about the day off.

## Colorado City Cops Title Tuesday In Last Second

The Pied Pipers saw their district title slip away from them here Tuesday night when Colorado City sank a two-pointer at the last second to win, 65-64. In fact it took a call to Austin and nearly enough time to play the game over before it was decided that the final two points were good.

The Pipers led for most of the first three quarters before seeing Colorado City rally in the third period to tie the

game at 49-49 as the quarter ended. The lead changed hands several times during the final stanza with the Pipers taking a one-point lead on a free throw by Milton Davis with seven seconds left.

Colorado City got the ball down court and missed and then their second try was good. This was the shot that caused all of the after-game confusion as it was several minutes before the two points were put on the scoreboard. And then there was more discussion before the officials decided that the score would stand.

The question that had to be decided was whether or not the buzzer had sounded

before the shot was in the air.

Milton Davis was the top scorer for the Pipers with 21 points. Also hitting in double figures were Van Covington with 11 and Charlie Shira with 14.

Hamlin won the B game, 78-68.

### Bryan Wasson Selected As Head Of Riding Club

Bryan Wasson was elected president of the Hamlin Riding Club at a called meeting Friday evening at the Blue Bonnet Cafe.

Wasson, local police chief, moved here last December from Abilene.

Other officers to serve the organization were elected as follows: Bill McIlwain, vice president; Mrs. Wasson, secretary-treasurer; Ed Branscum, Buddy Allen, arena directors; Ben Turner and Alvin Seaton, assistants; Wes Neidecken, Robert Allen, Elmer Brewer, directors; Buddy Allen, parade director; Turner, chairman of entertainment; Mrs. John Johnson, reporter; Neidecken, membership chairman.

After the election, tentative plans were made for a rodeo, a horse show, play nights, trail rides and a horse seminar.

All officers and committee personnel will meet later in the month to formulate plans for the spring and summer activities of the club.

### Dates Set Here for Polio Vaccine

Dates for the Polio Vaccine Drive sponsored by the Hamlin Parent-Teachers Association were announced this week by Mrs. Gerald Young, chairman.

The vaccine doses will be administered from 12 to 3 p.m. on Mar. 3 and May 5 in the high school gymnasium. The vaccine is being given free but donations will be appreciated to help defray the cost of the project.

Attending the Texas Region II annual high school coaches meeting in Abilene Saturday were Head Coach Joe Youngblood and coaches Pat Hughes, Dan Truelove, and Earnie Reusch.

## Green to Speak To BCD Friday

Coach Merrill Green of Cooper High School, Abilene, will be the speaker for the annual Board of Community Development banquet to be held in the high school gymnasium Friday evening at 7:30.

Green, 37, led the Cooper Cougars to the state finals in football this season. At Cooper since 1965, he has 22 wins, seven losses and two ties in the three seasons. He was elected District coach of the year in 1966 and 1967 and is a nominee for North all-star coach.

A graduate of Chickasha Oklahoma High School, he attended the University of Oklahoma and played on their national championship team in 1950.

He entered the service and spent four years in field artillery. In 1954 he played on the national service championship team.

He started coaching in 1956 on the staff of Wichita State University, Kansas. After being a member of the staff at the University of Missouri and the University of Arkansas he went to Texas Tech as an assistant in 1960. He coached there four years before going to Cooper.

He is director of music in the First Church of the Nazarene in Abilene. Chuck Moser, athletic director for Abilene Public Schools, said, "I have been a Christian for 20 years and have given much of my time to church work, but quite frankly, Merrill makes me feel inadequate as a Christian." He also said, "Even if the team did not win a game, Merrill is good for the boys. He gives something to them."

Green and his wife, Bonnie, have three children.

Rev. Max L. Brown, pastor of First Baptist Church, will be the master of ceremonies.

The invocation will be given by Douglas LeCroy, minister of the Hamlin Church of Christ.

Marvin Carlton, retiring president, will give the annual report and introduce new

officers and directors. Rev. Marshall Stewart, pastor of the Church of the Nazarene will give the benediction.

Dinner music will be by Darrell Craig, organist.

Incoming officers are Henry Albritton, president; Luther Hought, first vice president; Guy Weaver, second vice president; Ray Sonnenburg, treasurer; and Mrs. Ned Moore, secretary.

New directors are Weldon Carlton, David Casey, Floyd Clifton, Bill Harbert, Barry Moore and Francis Schneeweis.

Members of the board of directors are selling tickets. Sales are reported to be progressing nicely. Tickets are \$2.50 per person.

Floyd Clifton and Burt Oliver will take tickets at the door. Guests will be registered by Mr. and Mrs. John Bryant, Mrs. Clifton and Mrs. Oliver.

## Heavy Snow Falls Here Tues.

St. Valentine's Day turned out to be a holiday for school students because of heavy snow which blanketed the area. Supt. C. F. Cook announced there would be no school early Wednesday.

The depth of the snow varied over parts of Hamlin from 2½ inches at the City Pump Station gauge to three and four inches in other sections.

Moisture amounting to .99 inches was gauged at the Pump Station from Monday afternoon to early Wednesday.

Rain late Monday afternoon which froze Monday night was followed by sleet Tuesday morning. Snow began to fall about 4 p.m. Tuesday and continued until midnight.

Rain and sleet during the early morning and continuing through the day Wednesday formed a slick glaze over the cushion of snow making driving and walking hazardous. The temperature dropped to 20 degrees Tuesday night and rose to 35 degrees Wednesday afternoon and thawing began.

## Two Places Up For Vote On School Board

Trustee election for the Hamlin Independent School District has been set for April 6 in the high school building, according to Supt. C. F. Cook. The terms of two board members will expire at that time.

Terms expiring this year are Jackie Williams and Joe Hudspeth with only Williams announcing for re-election. Williams will be seeking his first full term after being appointed to fill an unexpired vacancy. Hudspeth is finishing up six years on the board.

Deadline for announcing for election is March 7 and application blanks for filing are available from Mrs. J. O. Murphree, secretary for the superintendent.

Absentee voting will be held from March 14 to April 2 with ballots available in the superintendent's office.

A. B. Carlton has been appointed election judge by the board and will be assisted by clerks Mrs. Arlie Castle and Miss Lennie Greenway. Mrs. Murphree is absentee clerk.

### Guy Weaver Elected President Of Foundation

Guy Weaver was elected president of the Hamlin Foundation, administrative body for the Hamlin Swimming Pool, at a meeting held Thursday evening in the BCD office.

Other officers include Melvin Scott, first vice president, and Mrs. H. L. Mehaffey, secretary-treasurer.

Representatives from all civic and women's clubs responsible for the operation of the organization were present.

Recommendations made by the assembly included increasing the cost of swimming tickets 10 cents each and operate the pool only during the months of June and July.

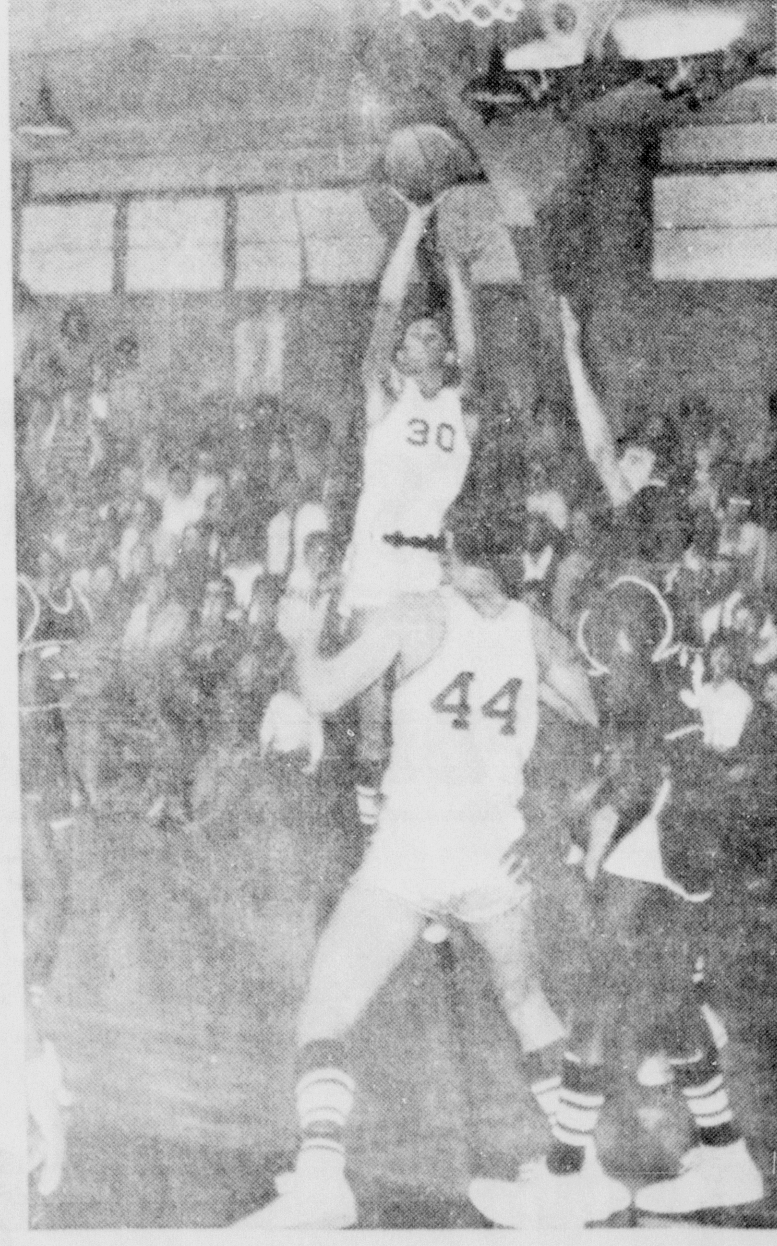

In the financial statement, an indebtedness of some \$400 was noted. This included \$223.03 from the previous season. The additional loss was explained by expenses incurred by painting of the pool and a decrease in income during August.

## Methodist Church Launches Every Member Visitation Drive

The annual Every Member Visitation program of First Methodist Church was launched with a congregational study by members included in a mailing that was sent out this week.

Rev. Cecil Hardaway, pastor, John C. Bryant and W. T. Johnson are guiding the activities of the program that is to develop a strong and challenging program for carrying out the mission of the church.

A congregational study to determine the giving potential of the congregation was distributed to members and these brochures are to be returned to the committee by Feb. 13. The results will then be tabulated and published by the Survey committee of which Richard Young, Jr. is chairman.

An information dinner will

be held Wednesday, Mar. 13, at 7 p.m. when a proposed program of work for the coming year will be presented. Special guests on the program will be Rev. Edmund Robo and Bobbie and Gene Moore, all of Abilene.

Dr. James Harrison, program planning and dinner chairman, asks that every family attending bring a covered dish.

Sunday, Mar. 24, has been set as visitation Sunday and teams of trained visitors will call on the homes to seek written support of the proposed program. J. C. Cauble and Bill Davis will be in charge of the visitation committee.

Self evaluation leaflets will be distributed to the congregation for their personal use in their stewardship to the

church. These are not to be returned to the church but are to be used as a work sheet.

## Police Dept. Adds New Equipment

Two new items of equipment for modern investigation and identification, a fingerprinting kit and a camera, have been added at the Hamlin Police Department.

For the first time the local department is now equipped to fingerprint prisoners and take pictures necessary in several areas of law enforcement, says Police Bryan Wasson.

Police Chief Wasson noted that now all prisoners will have three complete sets of fingerprints taken. One copy is sent to the FBI in Washington, one set is sent to the Identification and Criminal Records Bureau of the Texas Department of Public Safety

in Austin, and one copy is retained in the local files.

Also, tools and supplies necessary for developing and lifting latent fingerprints found at the scene of a crime have been added.

The new Polaroid camera, Model 230, will be used in both accident investigation and criminal investigation, the chief said. Close up shots and portraits can be made with the camera allowing the department to take 'mug' shots of all persons that are arrested.

The close up kit will also be beneficial in taking pictures of fingerprints and small items of evidence found at the scene of a crime.

Mr. and Mrs. Clyde A. Martin are parents of a boy, Larry Keith, born Feb. 11 at 4:29 p.m. He weighed 8 lbs. 14 oz.

Mr. and Mrs. LeRoy Piske of Fort Worth are parents of a girl, Tammie Lynn, born Feb. 13 at 6:30 p.m. She weighed 7 lbs. 5 oz. The mother is the former Linda Sue Lee, daughter of Mrs. U. C. Lee.

MRS. JOHN IRWIN SCHAEFER  
... married here Friday

## Julie May Daniell, John Schaefer Exchange Vows Here Friday

Julie May Daniell and A. I. C. John Irwin Schaefer of Dyess Air Force Base were married Friday in the Hamlin Church of Christ. Douglas Le-Croy, minister, officiated.

The bride is the daughter of Mr. and Mrs. H. R. Daniell and parents of the bridegroom are Mr. and Mrs. Gerald Schaefer of Breda, Iowa.

Honor attendants were Betty Daniell of Hamlin and Mrs. F. L. Hale of Abilene, both sisters of the bride.

Joe Fichera of New York City, N. Y., was best man. The bride's brother-in-law, Freddy Hale of Abilene, was groomsmen.

Joe Jankay of Brooklyn, N.

## Mrs. J. P. Morgan Hosts Garden Club Meeting

Members of the Hamlin Garden Club were told of many new varieties of annuals, shrubs and bulbs at the Friday afternoon meeting in the home of Mrs. J. P. Morgan.

Using the theme "Focus on the New," Mrs. R. D. Moore, Mrs. D. W. Stell and Mrs. John Ed Day presented the program.

Mrs. Moore discussed the new look in the garden mentioning new varieties of petunias, marigolds, dwarf zinnias, hydrangeas, mock oranges, and pink pussywillows, one variety of the gladioli called the blaze and another that is red, white, and blue.

Mrs. Stell told of some varieties of daffodils in 1968 to include miniatures and double flowerettes.

Mrs. Day displayed capsule table settings, one for a luncheon and one for a formal dinner.

Mrs. Scotty Knox, vice president, presided.

The club voted to change the meeting time from 3 p.m. on the second Friday to 2 p.m. on the second Thursday to become effective in September.

Fifteen members were present.

## Bridge Winners

Mrs. L. W. Shivers and Mrs. Harvey Elkins were first place winners at Tuesday evening's meeting of Hamlin Duplicate Bridge Club.

Mr. and Mrs. Gene Knabert were second and Mrs. C. Weldon Griggs and Harvey Elkins were third.

Family Night, sponsored by the Baptist Men of First Baptist Church will feature Rev. Lenard Hartley, former pastor, on the program Thursday evening, Feb. 22.

Y., and Frank Hardin of Houston seated guests.

Diane Jay, cousin of the bride, was flower girl. Ring bearer was Gary Hale of Abilene, nephew of the bride.

Candles were lighted by Dennis Hale of Abilene, nephew of the bride, and Debby Jay, cousin of the bride.

Wedding music by the Harding College chorus was recorded.

Given in marriage by her father, the bride wore a formal gown of lace and peau de soie. The lace bodice with long tapered sleeves and scalloped neckline was joined to the peau de soie A-line skirt at the empire waistline with a bias band of peau de soie. The pillbox headpiece encrusted with seed pearls held the fingertip veil of tulle edged with scalloped lace which matched the lace on the detachable wattleau train. She carried yellow roses.

Attendants wore floor length gowns of gold velvet with matching Dior bow and nylon net headresses. The reception was held at the church, hosted by the bride's parents.

The couple will live at 1834 Hickory, Apt. 6, in Abilene where he is stationed at Dyess Air Force Base and she is employed by Base Supply at Dyess.

A graduate of Hamlin High School, the bride attended Lubbock Christian College and received a secretarial certificate. She was a member of Metha Moe Social Club and the varsity tennis team.

Airman Schaefer is a graduate of Breda High School.

The bride's parents hosted the rehearsal dinner in their home.

## Who is at the Helm?

Who guides our lives? Are we a ship without a helmsman? Are we adrift, going no place?

Thanks be to God, who loves us so, He is willing to guide us, to show us the way over all manner of seas. How glorious to know there is such a One! All of us follow someone, some standard, but the true standard is God and His Word.

Let Him take over the wheel. He doesn't promise smooth sailing all the time, but He promises to guide us through the storm, and show us the way over calm and sweet but sometimes marker-less seas.

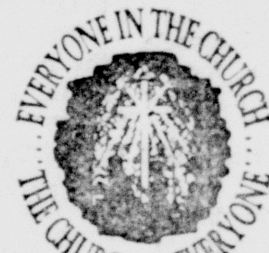

*"And the Lord shall guide thee continually, and satisfy thy soul in drought, and make fat thy bones; and thou shalt be like a watered garden, and like a spring of water whose waters fail not."*

Isaiah 58:11

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Basketball, Carnival, FHA Beau Night Keep HHS Busy

Beth Craig, Janet Carson, Tommy Oliver

Basketball games, the carnival and the FHA Beau Night banquet top the list of activities at HHS this week.

The Pipers win over Winters Friday, 67-45, and the anticipation of the Tuesday night game here with Colorado City kept spirit high. Enthusiasm remained at a high pitch even to the final seconds of the game Tuesday evening when the Pipers lost, making C-City District 5-AA Champions.

The Hamlin Piper fans saw a nine-point lead in the first quarter slip away to a defeat of 65-64. There were several conferences among officials concerning the last score made by C-City but the final decision was to let the score stand as shown on the scoreboard.

The Piperettes lost to Winters, 43-41, as did also the "B" team, 65-39.

The "B" team beat C-City Tuesday night 78-68.

The District standing of the Piperettes hinges on the Winters-Anson game which was postponed Tuesday night because of snow.

The FHA Beau Night banquet will be held tonight (Thursday) in the high school cafeteria.

Sandra Payne will give the invocation. Beth Craig will give the welcome and the response will be by Gil Lain, president of the FFA chapter.

Margaret Cooper, FHA president, will announce the FHA Beau and Miss FHA. Nominees for Miss FHA are Pat Perrin, Margaret Cooper, Sandra Payne, Sally Carlton and Beth Craig.

Rev. Max Brown, pastor of

First Baptist Church, will be the guest speaker.

Entertainment, with Jo Lynn Johnson as chairman, will feature the Electric Flavors, a local combo.

Martha Robertson, decorations chairman, will be assisted by members of clothing classes and the teacher, Mrs. Carter, in carrying out the Valentine motif.

Mrs. Simmons and members of the foods classes are in charge of the food.

hhs

The school carnival will be held at 7 p.m. Saturday sponsored by the Student Council.

Booths will be set up in the old gym, the cafeteria and possibly a few of the upstairs rooms.

The Council will have the concession stand, funny face gallery and special entertainment in the auditorium.

Classes and organizations will be operating booths which will include the cake walk, bingo, spook walk, sock throw, dart throw, baseball throw, balloon shaving, pie throw and many others.

The public is invited.

hhs

The Stage Band, with rehearsals Sunday afternoon and Monday night, are busy getting ready for the Brownwood Festival Feb. 23. A number of rehearsals will be worked into the school calendar in preparations for the event.

hhs

A Kangaroo Court for violators of the TWIRP week regulations will be held Tuesday night, Feb. 20, by the Student Council. Defendants will be those girls who were caught during TWIRP week dating without a license. The

## Neinda Philosopher Claims Every Year Produces More Crises Than Any Other Year In History

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One discusses the crisis situation this week.

Dear editor:

Although it's gotten to a point where a man opens his newspaper these days wondering, Well, what new place in the world did trouble break out in last night, I screwed up my courage and opened a copy of a paper a magazine salesman dropped out here while getting in his car one jump ahead of my dog. Understand, I've got nothing against magazine salesmen, the difficulty was between him and my dog and I don't take responsibility for the attitudes of my dog, any more than Frenchmen are responsible for what DeGaulle says.

After checking the latest reports on Viet Nam, Hanoi, Greece, Egypt, Israel, North Korea, England and New Hampshire, I noticed a smaller item which reported that the Secretary of the United Nations, U. Thant, said that "1967 produced more crises than any other year in history."

What the United Nations ought to do is buy Mr. Thant a new adding machine.

Take any year, it doesn't matter which one, and if you

check up on it closely enough, you'll find it produced more crises than any other year, provided you check on it while it's fresh in your mind.

This is just the second month, but 1968 already has produced more crises than 1967, with 10 more months to go and 1969 still to come.

It's gotten so that a country that can't produce at least one crisis a week just isn't trying. DeGaulle used to do better than that, but lately he's been crowded out. He doesn't know that if you can't produce a brand new one now and then, using the old ones

over and over gets tiresome. You get to feeling sorry for France when some little country like Viet Nam no bigger than the state of Florida can beat her off the front page weeks on end. In the crisis race, Viet Nam wins as consistently as the Green Bay Packers.

I'll tell you, if a man doesn't learn to ration his crises, string them out instead of having one on top of another, nobody is going to take them seriously, which would be a crisis of different sort.

Yours faithfully,  
J. A.

## Nephew of John Holtz Killed In Vietnam Feb. 6

The young Coleman Marine reported killed Feb. 6 near Quang Nam, Vietnam, was the nephew of John Holtz, local distributor for Mrs. Baird's Bakeries.

Marine Lance Cpl. Douglas Holtz Griffin, 20, son of Mr. Holtz's sister and brother-in-law, Mr. and Mrs. Juddy W. Griffin of Coleman, was killed by gunshot while on patrol. He was with Company D, 1st Battalion, Seventh Marines.

He was born Dec. 31, 1947, and was graduated from Coleman High School in 1966. He

had been in Vietnam since Oct. 1967.

Services will be announced from Stevens Funeral Home in Coleman. It is expected that it will be 10 to 12 days before his body arrives in the U. S.

## Local Officers Attend Sweetwater Training School

Hamlin police officers are attending a Police Training School this week in Sweetwater at the invitation of the Sweetwater Police Department. Officers from here started Monday and classes from 2 to 4 p.m. each day will continue

through Friday.

The course is being taught by Sgt. Jimmy F. Rhodes of the Department of Public Safety. Material being presented includes violator contact, traffic direction, highway law and accident investigation.

Police Chief Wasson said that this training is in addition to the already scheduled Police Academy for Jones County officers.

## Singing Sunday

The Third Sunday Singing will be held Sunday at 2 p.m. in the Foursquare Gospel Church.

The public is invited.

Countries from every continent in the world will participate in HemisFair'68.

You say you fell out of a tree and it'll be eight weeks before you're back in school?

Cheer up. Even Tarzan mis-times a leap now and then.

And don't give up on your school work. We've made it possible for many shut-in students to attend classes even though they're confined to bed. Our school-to-home service is the answer. It's a two-way communications system that lets the student speak and listen to anyone in the classroom.

It's helped many a bright youngster through some pretty gloomy confinements.

After all, we've had years and years of practice in developing phone arrangements for special problems. We offer phones for hard-of-hearing people, blind people, people who can't use their hands—phones so kids in bed can be in school.

We'll be glad to tackle your problem, too. Just call the telephone business office.

Maybe we can help.

## Heart Fund Drive Opens

Bill Davis, local chairman of the Heart Fund, has announced that containers for donations and literature have been placed in the drug stores and utility offices.

There will be no door to door drive, Davis said.

Heart and blood vessel diseases are the nation's number one killer. They take more than a million American lives each year, more than all other causes combined.

The Heart Fund helps with the American Heart Association's fight against heart diseases through a broad program of research, education, and community services.

The Jones County goal has been set at \$2,700, according to County Chairman Bill Longley.

Memorial contributions may be mailed to Davis at 549 N. W. Ave. J.

Help is available through the County Chairman for anyone in Jones County needing heart surgery.

The annual Sweetwater Banquet at First Baptist Church has been set at 7 p.m. on Thursday, Feb. 29.

## What this man started...

## ... Benefits all mankind today

Thomas Alva Edison in his lifetime — even after 1097 inventions — never could have imagined the many jobs flameless electricity does today.

In your home alone, 166 electrical appliances are available to save time, reduce work, and do a better job faster and more economically.

The average American family has nearly doubled its use of electricity in the past 10 years. And at such a low cost, it is today's biggest bargain in your budget.

Here at WTU we keep pace with the increasing use of electricity in industry, in business and in the home. It's a way of life with us, for we know that electricity powers progress.

## Cotton Pickin's

By ROLLING PLAINS COTTON GROWERS, INC.

Selling more cotton is the solution to the cotton problem, Mr. Kent Bennett of Vernon, Texas, Field Representative for the National Cotton Council emphasized to Knox County farmers in Munday on February 12.

He explained that the most intensive research and promotion effort in cotton's history is being launched in 1968 to achieve this objective. Nationwide, it is being spearheaded by Cotton Producers Institute and is being executed by the National Cotton Council. Rolling Plains Cotton

Growers, Inc. of Stamford, Texas is spearheading the program in the Rolling Plains area.

"If our industry can find a way to get more cotton manufactured into finished products, to get these stocked by the retail stores, and finally get the consumer to buy them, then — and only then — we can surely look forward to a healthier, brighter future for cotton," Mr. Bennett added.

Noting cotton's importance to the Rolling Plains area, he said growers received an average of \$70 million annually from cotton and cottonseed during the 1962-66 period. The crop, he said, benefits many more people who process and handle it and numerous businesses and employees providing supplies and services.

Mr. Bennett pointed out that cotton's total research program of \$26.5 million includes the U. S. Department of Agriculture, land grant colleges, allied firms, and foundations operated by the National Cotton Council. The new CPI program for 1968 will add some \$2 million to this total. Matching funds from others with a stake in cotton are expected to push this level up considerably, Mr. Bennett added.

Some \$900,000.00 of the \$26 million being allocated for research will be directed into work to achieve better permanent press — a characteristic involving markets for 4.2 million bales of cotton. Success, furthermore, would enable cotton to go after another 2.3 million bales held by synthetics.

Other research projects are aimed at: (1) improving fire retardancy, soil resistance and weather resistance of cotton products; (2) whipping the competitive threats in sheets, rugs, trousers and other major markets; (3) eliminating huge losses due to insects, weeds and diseases; and (4) increasing yields.

The CPI promotion budget of \$5.3 million includes \$2.5 million for 222 color pages of advertising in 20 top magazines. Another \$1.2 million will be spent on newspaper advertising, sponsored 50-50 by CPI and cooperating retailers.

Promotion plans also call for awarding cotton products as prizes on audience participation TV shows, locally televised cotton fashion shows, style shows at major markets, continuation of joint projects with major retail chains, and campaigns in cooperation with manufacturers of awnings, bedding and bedding.

## On Dean's List

Mrs. A. J. (Beatrice) Hallmark, a former Hamlin resident and now a freshman pre-nursing major at West Texas State University, Canyon, has been named to the honor roll for the fall semester.

Mrs. Hallmark maintained a 2.5 average out of a possible 3.0 while enrolled for 16 hours. She is currently enrolled for 16 hours for the spring semester.

The \$10 million Institute of Texan Cultures, Texas' exhibit at HemisFair '68, will tell the story of the 26 ethnic groups in Texas' history.

**AUSTIN.** — Eleven Democratic and three Republican candidates for governor squared off for an action-packed May 4 primary election as filing deadline closed last week.

Most of the interest centers in the gubernatorial contest. Only one Democratic incumbent in statewide office, Comptroller Robert S. Calvert, has primary opposition. The lieutenant governor's office and two Supreme Court places being vacated by incumbents are contested by Democrats.

While Republicans provided candidates for all statewide offices except judicial, only in the governor's column is there a GOP primary race. The rest are unopposed.

Here's the way the primary ballots will look:

### DEMOCRATIC

Governor — Lt. Gov. Preston Smith of Lubbock; John L. Hill of Houston; Waggoner Carr of Lubbock; Eugene Locke of Dallas; Gordon McLendon of Dallas; Dolph Briscoe of Uvalde; Pat O'Daniel of Dallas; Don Yarborough of Houston; Johnnie Mae Hackworth of Brenham; Edward L. Whittenburg of Houston and Alfonso Veloz of Houston.

Lieutenant Governor — House Speaker Ben Barnes of DeLeon; Rep. Don Gladden and Gene Smith, both of Fort Worth.

Comptroller — Robert S. Calvert and Dallas Blankenship, Paris.

Supreme Court, Place 1 — Matt Davis of Texarkana and Sears McGee of Houston.

Supreme Court, Place 2 — Tom Reaveley of Austin and James G. Denton of Amarillo.

Atty. Gen. Crawford C. Martin, Land Commissioner Jerry Sadler, Agriculture Commissioner John White, Treasurer Jesse James, Railroad Commissioner Jim Langdon, Supreme Court Associate Justice Zollie Steakley, Court of Criminal Appeals Judge W. A. Morrison and Leon Douglas, a candidate for the Court of Criminal Appeals have no Democratic opposition.

### REPUBLICAN

Governor — Paul Eggers of Wichita Falls, Wallace Sisk of Houston and John R. Trice of Dallas.

Republican candidates with no primary opposition are: Lieutenant Governor — Douglas DeCluitt of Waco; Attorney General — Sproesser Wynn of Fort Worth; Treasurer — Manuel Sanchez of Brownsville; Comptroller — John Bennett, San Antonio; Agriculture Commissioner — E. H. Schuhart of Dalhart; Land Commissioner — Millard Neptune of New Ulm; and Railroad Commissioner — Jim Segrest of San Antonio.

**DRINK BATTLE RE-NEWED** — Gov. John Connally told a press conference that he may renew his effort to strengthen state liquor laws and legalize and tax liquor by the drink at the special session of the Legislature he must call this year.

Connally said the liquor proposal he made in 1967, which was killed by the Legislature, may well be a part of his program for raising the \$150,000, 00 to \$190,000,000 which will be needed to operate state government next year.

## Student Council to Sponsor High School Carnival Saturday

The Hamlin High School Carnival sponsored by the Student Council will be open to the public from 7 to 9:30 p.m. Saturday evening. There will be no admission charge at the door.

Booths of entertainment will be set up in the cafeteria, the old gym and possibly some of the classrooms, and a variety type show will be held in the auditorium.

The Student Council is to be in charge of the concessions, the funny face gallery and the entertainment in the auditorium.

Other booths to be operated by classes and organizations are as follows: cake walk Senior Class; bingo and possibly a handwriting analysis booth, Junior Class; sock throw, Sophomore Class; spook walk, Freshmen Class; pie throw, FFA; baseball

booth, FHA; balloon shaving, National Honor Society; dart throw, Library Club; fortune telling, Band.

The variety show in the auditorium will be staged at 7:45 and 8:45. Tickets to the show which will include musical numbers, skits and a combo will be sold at the entrance to the auditorium.

## First Baptist Choirs To Take Part In Area Festival

The Chapel, Carol and Cherub Choirs of First Baptist Church will participate in the Area Church Music Festival to be held in Stamford First Baptist Church, Friday and Saturday.

The chapel choir will sing in the 7 p.m. program Friday. Junior and primary choirs are to participate at 10 a.m. Saturday.

The Festival is a preliminary prerequisite for the State Choir Festivals to be held in March and April.

## Phillip Simpson Signs With ACC

Star Piper Tailback Phillip Simpson signed up to play with Abilene Christian College, a member of the Southland Conference.

Simpson is the first Hamlin player to make his decision since the signing deadline lifted this week.

Mrs. Claude Huffman Jr. of Denver, Colorado, spent Thursday night here with her aunt and uncle, Mr. and Mrs. D. O. Waymire.

# Old Glory News...

by Judy White  
Two top 4-H's from Old Glory, Judy Sander and Rita Baldree, attended the National Poultry Congress in Kansas City last week. They were accompanied by Mrs. Norman-da Sander.

The girls won the all expense paid trip to Kansas City when they were selected for the first place team in the Poultry Marketing Demonstration at the annual 4-H Roundup in College Station last June. The group traveled by jet from Dallas.

The meetings they attended in Kansas City were reported to be very interesting and educational. Each day's busy schedule was followed by a banquet and entertainment at night.

One afternoon the girls and Mrs. Sander found time to travel to Independence, Missouri, where they visited the Truman Library.

Following a breakfast for the entire group on Sunday morning, they returned by jet to Dallas, and drove home Sunday afternoon.

**SETS WEDDING DATE**  
May 19 has been selected as the wedding day for Shirley Loraine Burck and Noel Keith Newman, according to her parents, Mr. and Mrs. Wally D. Burck of Lakewood, California. Mr. and Mrs. J. F. Newman of Old Glory are parents of the bridegroom.

Miss Burck attended Jordan High School and Longbeach City College. She is presently a stewardess with T. W. A. Airlines.

Her fiancé is an officer with the California Highway Patrol. He was graduated from CHP Academy with highest honors and selected as Valedictorian of his class.

Rebecca Letz has been named the official contestant from Old Glory in the REA Youth Tour Speaking contest to be held in Stamford on the night of March 4. Reva Letz also competed in the local contest. In Stamford, Rebecca will compete with representatives from Rule, Lueders-Avoca, Haskell, Anson, Stam-

ford and Paint Creek. The winning boy and the winning girl will join other winners in an expense paid, sponsored two-week trip to the Washington, D. C. area in June.

## JUNIOR 4-H NEWS

The Old Glory Community Junior 4-H Club members were treated to a movie Thursday, February 8. The group of twenty-eight members went to the Grand Theatre in Stamford to see the Walt Disney picture "Jungle Book." All reported a good time.

Parents who took cars other than the adult leader, Mrs. Jack Jones, were Mrs. Herbert Teichelman, Mr. James Martin, Mrs. Edward Walsh, Mrs. Randal Ross, and Mrs. Hilda Neumann.

The next meeting will be held after school on February 21st.

Mr. and Mrs. W. H. Vahlenkamp, Mr. and Mrs. Herbert Teichelman and family, Mrs. Minnie Schmidt and Paul and Mr. and Mrs. Otto Duden-sing attended a 42 party on Friday night, February 2, in the home of Mr. and Mrs. Rudolph Ramm. Those attending from Sagerton were Frank Lowack, Mrs. Hilda Koch, Mr. and Mrs. August Angerman, and Mr. and Mrs. Werner Teichelman.

Mr. and Mrs. Paul Koch and Mrs. Andrew Anderson of Lueders spent Thursday with Mrs. Minnie Schmidt. Mr. Koch and Mrs. Anderson are Mrs. Schmidt's brother and sister.

Mr. and Mrs. Billy Beil and children, Vance and Kim, from Amarillo were here last week-end visiting his parents, Mr. and Mrs. Travis Beil.

Visitors in the home of Mr. and Mrs. Lynn Flowers last Thursday were Mr. and Mrs. Hilton Hudspeth, Fayetteville, Arkansas, Mr. and Mrs. Joe Hudspeth of Hamlin, and W. O. Macon of Rule.

Mrs. Pete Agnew and two daughters from Abilene visited here with Mr. and Mrs. Carl Hunt last Saturday.

Mrs. Herman Dugan took her mother, Mrs. C. M. Lewis, back to Comanche where she lives last week. Mrs. Lewis had been here several weeks visiting with Mr. and Mrs. Dugan.

Visitors in the home of Mrs. H. E. Carr on Wednesday of last week were Mrs. Tommy Verner of Rule and Mrs. Leola Hicks and Mrs. Lissie Alvis, both of Rochester.

On Sunday Mrs. Carr's visitors included a grand-daughter and family, Mr. and

Mrs. Ray Hall and three children of Lubbock, Mr. and Mrs. Bill Ivey and Roger of Abilene. Mrs. Ivey is also Mrs. Carr's granddaughter. Also a daughter and her husband, Mr. and Mrs. J. F. Newman.

## Still Time to Add Nitrogen to Wheat Agent Reports

Farmers still have time to apply a topdress of nitrogen on wheat, says Jones County Agent Kirby Clayton. The rate may vary according to the type of soil, but from 30 to 40 lbs. of nitrogen applied before jointing, should give good results. If the nitrogen is applied before jointing, it should increase the number of seed heads and result in higher yields, says Clayton.

Very little benefit can be

expected from topdressing with phosphorus and potassium because these nutrients are needed in the fall and should be placed underground early in the season. Clayton suggests that a drill be left unfertilized. This will give the farmer a check on his fertilizer and a chance to determine if it increased yields.

More than 7.2 million persons are expected to visit HemisFair '68 during its six month run in San Antonio.

# Cecil Brown Issues Statement Concerning Commissioners Race

In announcing his intentions as a candidate for commissioner Precinct 1, Jones County, Cecil Brown has issued the following statement to the voters of this precinct:

"In having filed as a candidate for County Commissioner from your precinct I am making myself available to serve you in that all-important job. In your consideration of my candidacy, I would respectfully request that you consider my qualifications, my reputation and my character. I have lived in this precinct

all my life. I am 55 years old, married and have two children. "I have worked for the County in your precinct under two different commissioners for a total service to the county of about nine years. During that time I was aware of the importance of the road system of the precinct and the service necessary to be furnished by the commissioner to the residents of the precinct. This all-important part of the commissioner's office will receive my unbounded efforts in order that the roads may be kept

in the best condition possible within the present economic structure. "I want to start a program to widen all the county roads, not paved, eliminate many hazardous not only to individuals but to our school children riding school buses, and to pursue an overall improvement program. It is also my plan that Precinct 1 be allocated its fair share of the farm to market roads to be built in the future. "Another important phase

of the commissioner's duties is tending to the business of the county. I think we all recognize that county government is one of the biggest businesses in the county which demands proper administration from the commissioner of each precinct. It is my judgment that the county business should be run as a business without fear, favor or control. I can honestly say to you, the voters of Precinct 1, that I will, in all situations arising with reference to the county's business, have the courage to

vote my conviction after determining in consultation with my constituency the course of action which would most benefit the residents of our precinct. "I feel that as commissioner I can give and receive full cooperation from all school districts, towns and villages, and communities within the precinct. "It is my earnest desire that you will allow me by your vote to work with you for the betterment of our precinct and our county government. "I will certainly be grateful for any efforts you may

expend on my behalf and for your vote on election day."

## Youth to Hear Pat Boone Sunday

Some three to four carloads of young people from the Hamlin Church of Christ are making plans to attend the opening of the 50th ACC Bible Lectureship in Abilene Sunday when Pat Boone will be one of the outstanding guests. The Lectureship is also being held in conjunction with the opening of the new Moody Coliseum. Boone will lead the singing. The program starts at 1:30

PAGE EIGHT  
Hamlin, Texas, Thursday, February 15, 1968

p.m. in the Coliseum which boasts a seating capacity of 6,500.

A number of young people from the local church are planning to leave the church at 12. Anyone wishing to join the group may contact Rickey Acklin, Tommy Oliver, or the minister, Douglas LeCroy. Transportation will be arranged.

Sunbeams at First Baptist Church were reorganized Monday for nursery, beginner and primary children.

Mrs. Bryan Wasson is director.
